A terminal window with a dark background and light gray text, set against a solid red background. The window has a light gray title bar with three colored window control buttons (red, yellow, green) on the left. The terminal displays four commands, each preceded by a prompt character '>'.

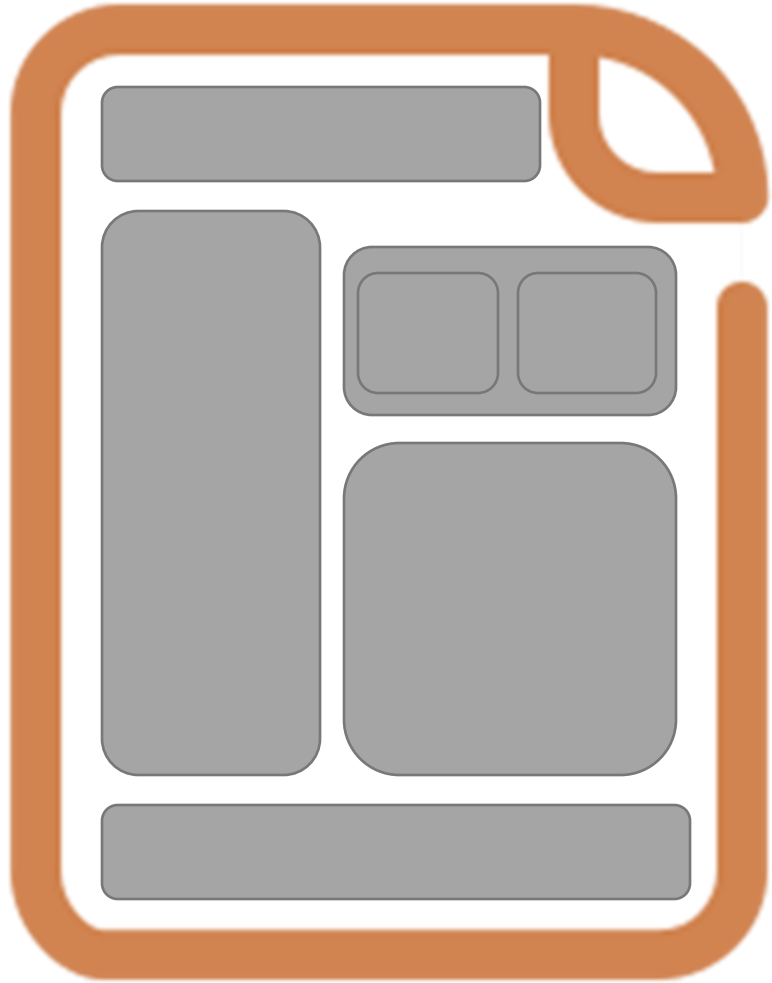

```
> npm install -g @angular/cli  
> ng new my-dream-app  
> cd my-dream-app  
> ng serve
```
